A photograph of a marina at dusk or dawn. Several boats are docked at wooden piers that reflect in the calm water. In the background, there's a row of buildings, possibly houses or small businesses, along the waterfront.

The logo for MI-BOX Moving & Mobile Storage, identical to the one in the top left corner.

- Change to reg sentence form without capital letters
- Keep phone number line consistent with header design style (color, bold, font, size, etc.)

What is it?

MI-BOX provides portable moving & storage containers that help you move & store items in a fraction of the time (and cost) of traditional self-storage.

Who is it for?

If you're moving, renovating, staging or selling a home, downsizing, or just looking for some extra space to hold your things - MI-BOX is for you.

Why use it?

Take everything you hate about moving and storage - truck rentals, hidden fees, impractical access hours, long days, transportation, etc. - and kiss them goodbye.

- Add small circle photo frames above three text blocks

How It Works

Step 1

We deliver your container directly to you.
Our containers are street legal and fit anywhere
you need them to go.

Step 2

You can pack at your own pace or let our
certified movers assist you.

Step 3

We pick up your stuff and store it securely or deliver
it to your new destination.

- See page 9 for design

Frequently Asked Questions

**No Matter Where You Are, Where You're Going, or What You're Storing
MI-BOX Storage Containers Can Handle It**

How much does it cost to rent a MI-BOX storage unit?

We can quickly provide you with a price through our estimate form or over the phone. All we need to know is what size of Box you need and where you'd like it delivered!

Can I access my MI-BOX container while it's in storage?

Yes! You can access your storage unit during normal business hours - 7 days a week - at no charge.

I'm not moving. Can I still use MI-BOX?

Absolutely! Our customers use MI-BOX storage containers for more than just moving, including: renovating, selling a home, downsizing, businesses, and construction. If you need to store it, MI-BOX can do it.

- Please keep header and sub header text consistent (updated design below on page 11)
